

Questioning contemporary societies through the lens of disability

4th annual conference of ALTER,
European Society for Disability Research

Keynotes

Jan Tøssebro, Norwegian University of Science and Technology

Myriam Winance, French National Institute of Health and Medical Research

2-3 July 2015

Paris - France

2 plenary sessions

Simultaneous translation English / French / Sign language

20 parallel sessions

The annual meeting of Alter - European Society for Disability Research / Société Européenne de Recherche sur le Handicap aims :

- to offer a European and international multidisciplinary view of disability research, across its whole spectrum;
- to articulate sociohistorical and political dimensions to the subjective experiences of actors;
- to apprehend disability as a category of analysis of contemporary societies.
